

NOTICE OF AVAILABILITY,  
NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION  
AND NOTICE OF PUBLIC MEETING

FOR  
CITY OF INDUSTRY WATER RECYCLING PROJECT (PHASE IIB)

Notice is hereby given that the Upper San Gabriel Valley Municipal Water District (Upper District) has prepared an Initial Environmental Study (IES) for the project described as City of Industry Water Recycling Project (Phase IIB). The Upper District Board of Directors intends to adopt a Mitigated Negative Declaration (MND) for the project and has authorized the release of the MND for public review and comment on the above project and its potential impacts.

The project consists of installing and operating 12.4 miles of pipelines in existing streets, two reservoirs (one 2 million gallon capacity and one 1 million gallon capacity), one pumping station at an existing reservoir site, and one pressure reducing station to deliver recycled water for irrigation of landscaped areas in the Cities of West Covina and Walnut and adjacent portions of unincorporated Los Angeles County. The analysis in the IES indicates that this project can be implemented without causing significant adverse environmental impacts with the incorporation of mitigation measures for specific issues.

The period of review will be from July 5, 2007 to August 14, 2007. Written comments on the IES and proposed MND should be submitted to Mr. Timothy C. Jochem at the address below no later than August 14, 2007 at 5:00 p.m. The IES and MND are available at the address below during normal working hours and on the Upper District website: [usgvmwd.org](http://usgvmwd.org).

The Upper District will host a workshop/community briefing about the Water Recycling Project Phase IIB on Tuesday, August 7th from 9:00 a.m. to 9:30 a.m. The workshop will be at the Upper District office at 11310 Valley Blvd., El Monte, CA 91731. For more information call (626) 443-2297.

The technical and environmental issues of the proposed project will be discussed at this workshop/community briefing.

Timothy C. Jochem  
General Manager  
Upper San Gabriel Valley Municipal Water District  
11310 E. Valley Blvd., El Monte, CA 91731
